# **CHEVY CHASE WILL** HAVE PLAYGROUND

Chevy Chase is to have a municipal playground, it was announced today by Mrs. Susie Root Rhodes.

Several weeks ago the Elizabeth V. Brown Community Association in Chevy Chase petitioned Mrs. Rhodes to establish a playground on the vacant lot across from the Brown School. Mrs. Rhodes referred the

matter to the District Commissioners. The Commissioners have approved of providing a playground in that section of Washington, and efforts are now being made to have the vacant lot leaned to the playground department. Just as soon as the lot is co. tained, Mrs. Rhodes will put up playground apparatus.

There is no municipal playground in that section of the city, while there are hundreds of children forced to play on the streets.
